

Use your skills to help young people gain theirs.

We bring people together! We're Scouts and everyone's welcome here. All genders, races and backgrounds. When many young people are struggling to find purpose and belonging, Scouts helps them develop skills, confidence and a sense of hope. We inspire positive futures and help young people find their place in the world by developing the character, employability and practical skills they need to succeed.

Mucking in or playing your part will help us to deliver teeth-gritting, keep-on-going, summit-reaching, belly-laughing every week! Everyone has something to offer, whether it is through their work or hobbies (maybe you are a dentist and could visit and talk to us, or you work in a baked bean factory, we may be able to visit).

Feeling great about yourself. There isn't a badge for that, but there should be.
