

Spark 2025 – Programme Conference
Welcome

Scouts

South Ribble

Lee McNulty

Programme Team Leader

Welcome back!

- To understand what high quality community impact looks like and how you can support volunteers in your area to act:
- Explain what community impact is
- Identify the 5 steps to community impact
- Explore programme support for volunteers
- Create a plan for supporting local volunteer
- EarthTribe

**Do more.
Share more.
Be more.**

Every week we give almost two thousand 4–25-year-olds the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

What is Community Impact?

- An activity that makes a difference in a local, national or international community whilst helping equip our young people with Skills for Life.

Why Community Impact?

- Helping to leave the world a little better than we found it' has been a big part of who we are since 1907.

Earth Tribe

Earth Tribe Explained:

What do you need to do?

- There are three pathways looking into different themes around sustainability. The three pathways are **Go Solar**, **Tide Turners** and **Champions for Nature**. You need to complete the requirements for one of the pathways to earn your Earth Tribe award.

Pathways:

- [Squirrels](#)
- [Beavers](#)
- [Cubs](#)
- [Scouts](#)
- [Explorers](#)
- [Network](#)

Earth Tribe Explained:

Can Volunteers Take Part?

- Not at present. The Earth Tribe Award is just for young people in Squirrels, Beavers, Cubs, Scouts or Explorers and Network. However, adult volunteers are crucial to supporting this Award and programme. Because of this we have created a blanket badge which will be available to purchase through Scout Store very soon.

Can you Achieve the Award more than once?

- Yes, you can complete the Earth Tribe Award as you move through the sections. Each section has its own badge.

What's Next?

- Plan an action
- What will you take away to support community impact?
- Start thinking about how you could encourage Earth Tribe in your area?

The BIG Q&A

Lee McNulty

Programme Team Leader

Help us, ask bold questions! We're running **Padlet** for today's event, it's a place to ask questions, share ideas and we'll recap in the Q&A.

Thank you
